Meet Tina

This is Tina. She is seven years old.

Next week, she will start Primary One at PLMGS Primary.

“You will meet new friends and teachers,” her parents say.

Tina wonders, “What will school be like? Will it be different from kindergarten?”

The night before

On Sunday evening, Tina packs her school bag with Daddy.

She gets her uniform, socks and white shoes ready.

Daddy reads her a story. “Good night!” he says.

At 8.30 p.m., Tina closes her eyes and goes to sleep.

Ready for a new day

Tina wakes up at 6 a.m. It is still dark outside.

She brushes her teeth and eats breakfast.

She puts on her uniform and tidies her hair.

Then she puts on her white shoes and picks up her bag. She is ready!

Let's talk

How will you go to school? What can you do to get ready in the morning?

A hug and a goodbye

Mummy takes Tina to the school bus.

Tina feels a little worried. Mummy gives her a hug.

“Have a wonderful first day! I will see you later,” says Mummy.

Tina waves and blows a flying kiss. She sits down and keeps her seat belt on.

A warm welcome

At school, older PL-Lites help Tina find her class.

Her new teacher smiles. “Welcome, Tina!”

Tina stays with her class.

In the morning, they sing the National Anthem and say the Pledge. Then they go to their classroom.

A new friend

Tina sits beside a new classmate.

She smiles. “Hello! My name is Tina. What is your name?”

“I’m Mei,” says the girl.

They take turns to talk and listen. Tina is getting to know a new friend.

Let’s talk

What could you say to a new friend? Let’s practise together.

I can ask for help

Some things at school are new to Tina.

Sometimes, she misses Mummy. It is okay to feel worried or to cry.

Tina takes a slow breath. She tells her teacher, “I feel worried. Please help me.”

She can also ask, “May I go to the toilet?” or “Please show me what to do.”

Time to eat

At 8.45 a.m., it is recess time.

A Primary Four PL-Lite is Tina’s buddy. She takes Tina to the canteen.

There are many food stalls! Tina takes her time to choose.

Her buddy helps her find the queue. Tina waits for her turn.

Trying something new

“May I have a bowl of noodles, please?” asks Tina.

Her buddy helps her check her money and change.

Tina sits down to eat and drink some water. She can try new food or eat food from home.

After eating, her buddy shows her how to return her tray and keep the table clean.

Let’s talk

What food might you choose? Would you like to bring food from home? Why?

Exploring PL

After eating, Tina’s buddy shows her around PL.

They enjoy the breeze in the gardens.

Tina stays with her buddy. She can ask where the toilets and classrooms are.

Soon, it is time to return to class. Tina follows her buddy back.

I am a joyful PL-Lite

Later, Tina tells her parents about her day.

“I said hello to Mei. My buddy helped me!”

Some parts were fun. Some parts felt new.

“I can ask for help. I can try again tomorrow. I belong at PL!”

Let’s talk

What are you looking forward to? What would you like help with?

Small steps together

Read a few pages at a time. Let your daughter point to pictures, ask questions or act out the story. There is no need to finish in one sitting.

1 Name the feeling

Ask: “How might Tina feel on the bus? How might you feel?” Invite your daughter to draw a face or point to a feeling: happy, excited, worried or sad.

Say: “It is okay to have different feelings. You can tell me or your teacher.” Ask: “What would help you feel ready?”

2 Rehearse the morning

Use the getting-ready pages as a guide. Together, pack her bag and lay out her uniform. Let her practise putting on her shoes and carrying her bag.

Ask: “Which parts can you do? Where would you like help?” Make a simple picture checklist in the order that suits your family.

3 Practise a short goodbye

Role-play your real journey to school. Try a hug, a wave and one familiar goodbye sentence.

Say clearly who will collect her, where and when, using the school’s confirmed arrangement. Ask her to tell you the plan in her own words.

Use your school’s current instructions for arrival, transport, recess, parent visits and dismissal. The times in Tina’s story are examples; adapt them to your family and school schedule.

Ready to try

4 Make a new friend

Take turns being Tina and a classmate. Practise: “Hello! My name is ____. What is your name?” and “May I join you?”

Ask: “What could you do if someone is not ready to play?” Try saying hello to another child or asking a teacher for help.

5 Open a pretend canteen

Draw three foods and give them simple pretend prices. Use play money. Practise choosing, queuing, ordering politely and checking change together.

Ask: “What food would you choose? Would you like to bring food from home? How will you ask for help?” Practise opening her lunchbox and water bottle too.

6 Find the words for help

Act out one small problem at a time: feeling worried, not understanding a task or needing the toilet.

Practise: “Please help me”, “Please say that again” and “May I go to the toilet?” Help her identify her teacher or another school adult she can approach.

After school

Choose one gentle question: “What made you smile?”, “What felt tricky?” or “Who helped you today?” Give her time to answer.

Notice a small effort: “You asked for help even when you felt unsure.” If worries continue or make school difficult, share what you notice with her teacher and plan support together.
